

New Jersey Cemetery Association Membership Form

Dear Prospective Member:

The New Jersey Cemetery Association has represented the industry for more than 70 years through the dedicated service of industry members throughout the state. Our organization relies on the membership of cemeteries such as yours to be able to monitor and impact legislative and regulatory issues throughout the state. Your support allows us to provide education through the annual convention, newsletter and our newly redesigned website. The website allows multiple designated members of your cemetery to receive e-mail blasts with news updates or to locate a supplier who provides a required service or product. Regional meetings throughout the state offer opportunities for members to meet with their colleagues to discuss issues affecting our industry. In addition, membership provides social interaction through events like our annual golf outing, always a great source of camaraderie.

We understand that many cemeteries have very limited resources and must choose carefully how to allocate them. Consequently, the Board of Directors has authorized a one time only \$50 introductory membership fee because they want to encourage all cemeteries to participate in our organization. We believe you will find the benefits of membership far exceed the cost of the dues.

If you need more information before making a decision, please feel free to contact Judith Welshons, Executive Director, at 908-553-6972.

Yours truly,

New Jersey Cemetery Association
